A5
G5
On a cobweb, afternoon in a room
E5
F5
full of emptiness
A5
G5
By a freeway I confess
E5
F5
I was lost in the pages
A5
G5
Of a book, full of death
E5
F5
Reading how we'll die alone
A5
G5
And if we're good we'll lay to rest
E5
F5
Anywhere we want to go
A5
G5
E5
F5
In your house I long to be
A5
G5
E5
F5
Room by room patiently
A5
G5
I'll wait for you there
E5
F5
Like a stone
A5
G5
I'll wait for you there
E5
F5
Alone
A5
G5
On my deathbed, I will pray
E5
F5
To the gods and the angels
A5
G5
Like a pagan to anyone
E5
F5
Who will take me to heaven
A5
G5
To a place, I recall
E5
F5
I was there so long ago
A5
G5
The sky was bruised
E5
The wine was bled
F5
And there you led me on
A5
G5
E5
F5
In your house I long to be
A5
G5
E5
F5
Room by room patiently
A5

G5
I'll wait for you there
E5
F5
Like a stone
A5
G5
I'll wait for you there
